**“COMPUTER SCIENCE STUDENT SEEKING OPPORTUNITY TO CREATE CHANGE WITH BACKGROUND IN BOTH TECH AND SUSTAINABLE WORK”**

## EXPERIENCE

SEPTEMBER 2016 – FEBRUARY 2020

### AV TECHNICIAN

RIFT VALLEY ACADEMY - KIJABE, KENYA

Live events filming, light work, livestreaming, audio mixing, audio recording.

JUNE 2020 – DECEMBER 2020

### VIDEO PRODUCTION AND POST-PRODUCTION TECHNICIAN

LEARNING STRATEGIST – EDMONTON, CANADA

Video editing, live camera work, audio mixing, hardware management.

OCTOBER 2020 – OCTOBER 2022

### MARKETING TEAM MEMBER

CAMPERS VILLAGE – EDMONTON, CANADA

Product information gathering for inventory management and online sales for large sporting goods retailer. Was the most productive staff member for inventory data gathering due to optimized workflow I developed and automated. Shared automated process with others to increase productivity across the team.

DECEMBER 2020 – MAY 2021

### ENGINEERING ASSISTANT - (PART-TIME VOLUNTEER)

KIBUYE HOPE HOSTEL – BURUNDI, EAST AFRICA

Bio-medical equipment design, creation & repairs, network design & implementation, infrastructure maintenance and development (solar power generation, water system, vehicles)

JUNE 2021 – SEPTEMBER 2021

### SOFTWARE INTERN

HP INC. PERSONAL SYSTEMS SOFTWARE – HUSTON, TEXAS (REMOTE)

Summer internship focused on creation of video marketing collateral for internal training. The only intern selected for this team, I reported directly to Chief of Staff, Business Planning and Operations, Personal Systems Software

JUNE 2022 – SEPTEMBER 2022

### SOFTWARE INTERN

OX TRANSPORTATION – KIGALI, RWANDA

Summer internship focused on problem solving pertaining to the logistics of having electric vehicles travel through a country with rugged terrain. I worked with the team in Kigali to solve problems with estimations to how to deal with charging and data reporting on the vehicles.

**SEPTEMBER 2023 – APRIL 2024**

### **CHAPEL SETUP/TAKEDOWN COORDINATOR**

TRINITY WESTERN UNIVERSITY – LANGLEY, CANADA

Stage setup, mixing, audio and lights, as well as video production work in a studio environment.  
What about your OMADA work?

**SEPTEMBER 2023 – PRESENT**

### **HIGH ROPES COURSE BELAYER AND TEAMBUILDING**

OMADA TEAMBUILDING – LANGLEY, CANADA

Safely belaying and managing groups of people of all ages on the high ropes course, as well as facilitating an environment for teambuilding in a variety of activities including climbing, boating, and courses.

**MAY 2024 – AUGUST 2024**

### **HIGH ROPES DIRECTOR, MAINTENANCE, PRODUCTION**

KEATS CAMPS – KEATS ISLAND, CANADA

In charge of managing a team of trained ACCT operators on a high ropes course, and zipline. Maintenance on the grounds of the island, and producing a live mix for a venue every night, as well as the setup of the lighting control system.

**SEPTEMBER 2024 – PRESENT**

### **PRODUCTION CONTRACTOR**

TWU PRODUCTION – LANGLEY, CANADA

Rigging of speakers, vertical arrays, and sub configuration. Setup of a variety of lights using Sydus link, or Magic Q. Using cameras and gimbals for content production and live stream. Live sound in a variety of venues with a variety of setup times.

## **EDUCATION**

### **BACHELOR OF COMPUTING SCIENCE**

TRINITY WESTERN UNIVERSITY – LANGLEY, CANADA

### **BACHELOR OF COMPUTING SCIENCE**

THE KING'S UNIVERSITY - EDMONTON, CANADA

Completion of second-year coursework in April 2022

Completed coursework in: Object-Oriented Programming, Intro to Data Structures, Introduction to Calculus, Real Time animation and Game Design, Algorithm Analysis

### **HIGH SCHOOL**

RIFT VALLEY ACADEMY - KIJABE, KENYA

Graduated July 2020 with honors from accredited international boarding school.  
Advanced Placement courses: Computer Science, Chemistry, Calculus A/B

## OTHER SKILLS

- Speak/read/write advanced French
- Video development – both camera work and post-production editing
- Advanced mechanical skills (automotive, small-engine)
- Competent in Mac, Windows, Linux
- Audio mixing & production
